

Employers

David Ryan

Where we start?

- Identify the Client
- Identify their skills
- What skills they have to offer
- What hours they want to work
- What location / area

What next?

- Identify the sector
- The type of employer
- Who is going to contact the employer?

Job search?

- Check out the papers, Internet, contacts, database etc.
- Phone contact, cold calling, drop in
- Meeting
- interview

Engaging employers?

- Know your information, client, hours, skills, abilities.
- Know your employers information, size of company, type of work, etc.

Finally

- Smile
- Relax
- Be prepared for all questions
- Enjoy the experience
